the gold
standard

These hot metallics are great for all skin tones. Blend colours together for a glow on cheekbones, or wear individually as eyeshadow.

Bobbi Brown Gold Shimmer Brick Compact (Limited Edition), \$49.

the
manicure master

Streaks be gone! Coat your nail in one stroke with OPI's new ProWide Brush. P.S. Available in the company's 25th anniversary collection.

made for each other

Straight Tech

Three items to fight frizz for sleek, shiny styles.

THE SMOOTHER

Goody's So Hot 33mm Hot Round Ionic Brush, \$11, has a ceramic centre that warms up when in contact with the heat from your hair dryer.

THE SOOTHER

La Coupe Shine & Smooth Straighten Out flat-iron spray, \$7, shields hair from damage caused by heat styling.

THE HEAT

KQC's ion-infused Professional Ceramic Styling Iron, \$229, uses infrared rays to heat hair from the inside to reduce exterior damage. - Danielle Boddy

this month's
most wanted:

the perfect pencil

This makeup bag must-have is a perfect combination of a liner and a lipstick. It is easy to use, doesn't dry out lips and has great staying power. Available in 11 shades.

Nars Velvet Matte Lip Pencil in Dragon Girl, \$30.

liner notes

Eyeliner has never been more popular. For easy application, try a new cream or gel formula. This one is infused with a bit of glitter to make eyes pop.

Lise Watier Gel Liner in Topaze, \$17.

the best deal

Finally, an affordable version of the sonic toothbrush technology - just like at the dentist.

Oral-B Vitality Sonic Toothbrush, \$25.

the root
buster

This new, Canadian-made permanent root touch-up product cuts down on trips to your colourist - and saves you money.

Bonus: No mixing! The colour and developer are stored in the applicator.

The Mixer, \$26, Colour Revolution.

the cute
package

One of the only things that's ever changed about the Q-tip is its container. Grab some now to get this handy plastic case that you'll use again and again.

Q-tips Beauty Pack, \$5 for 285.
